66 66602 TRISTRAM BETHA m ANN GOODMAN (6 6G60n)

The "Betha family tree" shows Tristram as son of John Betha and lists him as second son.

"John Bathey (66 666) of Chowan Precinct in the Province of N. C." in his conveyance of 16 Jul 1735 to "Tristram Bathey, his son, of the precinct aforesaid" conveyed "unto his sd son Tristram Bathey one certain plantation, tract, or parcel of land situate lying and being in the Precinct of Chowan asfd whereon he ye said Tristram now liveth," the further description of which shows that it was near the Virginia line and consequently in that part of Chowan Precinct, later County, which became, in 1778, Gates Co. and in a part which had formerly been considered as in Nansemond Co., Va., before the line between the provinces was determined.

The text of the deed indicates that Tristram produced quantities of tar and that he was then, in 1735, a grown man. It is therefore inferred that he was born before 1714.

It is also inferred that he had married about and before 1735.

His father's conveyance was probably for the purpose of settling him in a home, perhaps the father's own home. It is interesting to note that the father reserved "the full and free privilege of building a house on any part of the plantation of land asfd for himself to live and abide during the term of his natural life when he shall think fit." Perhaps he thus provided for the contingency of not finding it agreeable to live in the same home with his son and daughter-in-law.

"Ann Betha," named first "among my eight children, namely: Ann Betha," etc., in a paragraph in the will of Henry Goodman (6 6G6), q.v., of Hertford Co., N. C., dated 1778, is presumed to have been the oldest child of her parents and the wife of Tristram Betha (there spelled Betha).

Her sister, "Sarah Betha" (6 6G60c), is named sixth among her father's children. Sarah was wife of Tristram's nephew, William Betha (666).

The will of "James Betha (66 666021) of Gates County in the State of North Carolina" nominated "my Cousin William Goodman" (6 6G6012) as an executor. This fortifies the conclusion that James' mother, wife of Tristram, was a Goodman, and that she was the "Ann Betha" mentioned in the will of Henry Goodman.

Many records show that Goodman families had then long been residents of that part of Chowan Co. which in 1759 became Gates Co. It is probable that Ann was born and married there, and was born before 1720, having been married about 1735.

N. C. State Records, Vol. XXII, p. 359, MILITIA RETURNS:

"Pasquotank, 7 October 1755.—Sir: I herein have enclosed the List of the whole Regiment under My Command as Near to your Excellency's orders as I could, and have since My arrival from the West Indies taken as Great Care and Diligence to have them well Disciplined and to see that they be in Good order as I well could; and ever shall be Careful to Do the same while I continue in that Station, &c. . . ROBERT MURDEN. To His Excellency Arthur Dobbs, Esq. . . A List of Men Commanded by Captain Charles King, Taken Novr. 25th, 1754 . . . Tristram Betha. Jesse Betha . . ."

This "Tristram Betha" was undoubtedly Tristram Betha (66 66602). There was no other Tristram in the Betha (or Betha) family at that time and he would have then been about 40 years old. Jesse was no doubt his son. If Jesse were then 18 years old he would have been born in 1736 which harmonizes with the opinion that his parents were married about 1735.

In this same company were William Goodman (6 6G601) and Joel Goodman (6 6G604), brothers of Tristram Betha's wife; Isaac Pipkin, probably husband or kinsman of the husband of Charity, sister of Tristram Betha's wife; and James Lang, probably a kinsman of Jesse's first wife whose maiden surname was Lang.

Tristram Betha's home was near that of Joel Goodman (6 6G604), q.v.

Numerous records show that the Betha, Goodman, Pipkin, and Lang families lived in the same community. The regiment to which their company belonged was evidently a regiment formed in both Chowan and Pasquotank Counties which adjoined.

"Ann Bathea" witnessed a will (q.v.) of her brother "William Goodman (6 6G601) of the County of Gates" dated 3 Nov 1780, as did her daughter, Mary Cross.

List of Taxables in Gates Co., N. C., 1784, now filed in N. C. Historical Commission at Raleigh shows under the headings, No. acres / No. free polls / No. black polls / Amount of taxable property (evidently the amount of taxes levied):

Dallas and William (William David was son by second marriage. Sellers omits Preston Randolph. wch); don't know of any daughters by William W.'s first marriage (there were daughters. wch); he married a second time, Mrs. Mary Platt, a daughter of old Daniel Platt by his (Platt's) second marriage with Polly Lane, a daughter of old James C. Lane, who was son of old Osborne Lane."

Sellers (pp.386-395) gives an interesting sketch of the Lane family, but in it does not include Polly among the daughters of James C. Lane.

Mary Jane Platt was daughter of Daniel and Mary Platt.

The records of birth and marriage of W. W. Bethea and his first wife and records of their children are in the Bible of his brother, Alfred Walker Bethea (602), q.v.

The family Bible, published by Thomas Maxon and George Lane, "For the Methodist Episcopal Church at the Conference Office at 200 Mulberry St., New York—1835," passed from William Walker Bethea and his second wife to their daughter, Mrs. Octavia Elizabeth (Bethea) Floyd of Shubuta, Miss., who presented it to her half-brother, Alfred Dallas Bethea, after whose death it passed to his daughter, Mrs. May (Bethea) Morrison (6013c) of Heidelberg, Miss. This Bible was evidently used in the family of William Walker Bethea for recording family records during the married life of both his wives. The following are copies of its family records, omitting the records of generations later than the children of William Walker Bethea.

William Walker Bethea and his second wife are buried in Shubuta Cemetery, Shubuta, Clarke Co., Miss. His first wife is buried in Bethea Cemetery four miles east of Shubuta on the plantation where they resided. Their cemetery inscriptions are shown under Cemetery Records, pages 111 and 112.

WILLIAM WALKER BETHEA

(By his daughter, Mrs. Octavia (Bethea) Floyd).

There is much that I could say in favor of father but suffice it to say he was known for his truthfulness, honorable dealing with his fellowman, his readiness to help the poor and needy. His business ability was well known and caused him to be consulted frequently by others. So often I have heard him say "My word is my bond." And last but not least he was a Christian.

"UNCLE DAVE"

David D. ("Uncle Dave") Bethea, a venerable, staunch, and Godly black man, whose portrait, taken when he was over 83

years old, appears on page 502, belonged to William Walker Bethea and was born and now lives on his master's old plantation now the home plantation of Mr. David W. Bethea (6032) in Dillon Co., S. C.

This is "Uncle Dave's" own story:

"My parents were Rev. Andrew Bethea and Betsy. They both belonged to my old master, William W. Bethea.

"We all moved to Mississippi in December, 1850, and lived in Clarke Co. eight years and moved to Rankin Co. and lived there four years. We left Mississippi in July, 1863, on account of the coming of the Northern army, and came back home and lived part of the time on my master's old place, then owned by his brother, David, and part of the time on the Tristram Rogers (6604b) place which is just north of it. My master stayed here until "Freedom" and then moved back to Mississippi.

"My father and all his family remained here. I have lived a good part of the years since "Freedom" on this place where I was born and am now living.

"My father had ten children and raised seven. I married Mary Jane McNeill, December 19th, 1868. We had thirteen children, ten girls and three boys. Two of the boys died young. The rest of the children all lived to be grown. My wife died in 1928. She was a faithful wife and a good woman.

"I have been an officer in the Methodist Church fifty-nine years and have been trying to serve the Lord for sixty-four years. I am trusting in Him for my salvation."

He has many descendants, four generations of them.

WILL OF W. W. BETHEA

(From transcript certified by the Clerk of the Chancery Court, Clarke Co., Miss., of Records of Wills, pages 109-112).

I, W. W. Bethea of Clarke Co., Miss., being of sound and disposing mind and hereby revoking all other wills but this do make, declare and publish this my last will and testament.

1st. I desire my executor hereinafter named to pay all my debts out of the assets I may own at my death and I wish that the portions of my estate which I herein bequeath and devise to my wife and my son, W. D. Bethea, shall contribute equally to their payment.

2d. I bequeath and devise to my beloved wife, Mary J. Bethea, all my household and kitchen furniture which I may own at my death, and one undivided third interest in all moneys and other personalty owned by me at said time together with a life interest in the following real estate, to wit: (Then follows a lengthy description of 160 acres, also 16 acres, also 48 $\frac{3}{4}$ acres in lot 8 and the balance of lot 8, all in Township 1, Range 16 East in Clarke Co., Miss., near Shubuta and along the Chickasahay River).

3d. I bequeath and devise to my daughter, Marietta G. Bethea, revisionary interest in fee simple to commence and take effect after the death of my said wife (here is described

the 160 acres and 16 acres previously mentioned) and all that part of lot Eight (8) above devised to my wife except that part hereinafter devised to my son, W. D. Bethea.

4th. I devise and bequeath to my son, W. D. Bethea, two undivided thirds of all money and other personalty, one-third of which being above bequeathed to my wife, which I may own at my death, except my household and kitchen furniture, and all of my estate which I may hereafter acquire by purchase or inheritance and may own at my death. I also devise to him a revisionary interest in fee simple to commence and take effect after the death of my wife in the following tract: (Here follows description of part of Lot 8 previously mentioned). Should either of my said children, Marietta G., or W. D. Bethea, die without issue then it is my desire that the survivor take the portion of the deceased. In the event my wife should die before my said daughter, Marietta, and my son, W. D. Bethea, then I desire that they should share equally the money and the personalty above bequeathed my said wife.

5th. Inasmuch as I have already given my other children, Octavia E. Floyd, John F. Bethea, A. D. Bethea and Rebecca Pippin as much as I think they are reasonably entitled to, I desire that they have none of my estate.

6th. I nominate and appoint my friend, W. H. Patton of Shubuta, Miss., my executor to carry out the provisions of this will.

In testimony whereof, I have hereto affixed my signature on the 8th day of May, 1888, Shubuta, Clarke Co., Miss.

W. W. BETHEA.

(Then follows names of witnesses).

6011 JOHN FRANKLIN BETHEA

in HANNAH JANE BETHEA (602a)

"Dr. J. F. Bethea is a successful man every way; as a farmer, he is a man of affairs, a turpentine and saw mill man, is merchandising at Dillon." (Sellers—written about 1900).

His lands adjoined lands bequeathed in the will of his aunt, Mrs. Mary Ann (Bethea) Bethea (60b), q.v., to her daughter, Mrs. Louisa (Bethea) Galloway (60bc), q.v., where the latter made her home, and to her son, George J. Bethea (60b2).

AN OBITUARY

(Excerpts from a newspaper clipping probably from Dillon (S. C.) Herald about Nov 1907).

Dr. Bethea was born in 1837 at what is now known as the D. W. Bethea (6032) place, little more than a mile distant from his residence at the time of his death. He was the eldest son of William and Mary (Bethea) Bethea, who in their day were among the country's most prominent and useful citizens.

At the age of fourteen he went to Mississippi, where he resided a few years and then returned to his native home and began the study of medicine under his uncle. (Dr. Alfred W. Bethea (602), later his father-in-law. wch).
